

## Building More Dreams

### New Ownership and Expansion at Kawartha Lakes Construction

**LAKEFIELD, ONTARIO — September 16, 2024** — Kawartha Lakes Construction, a premier building firm founded in 1988 by Scott Wootton, today announces a significant transition in leadership and expansion plans. Current leaders within the company, Mark Reid and Ben Reynolds, have officially assumed ownership.

Over the past 30 years, Kawartha Lakes Construction has earned a reputation as one of the region's most reliable and creative builders, enabling countless homeowners to realize their dream homes and cottages. Mark and Ben have been instrumental in building this reputation and will now lead the company into its next chapter.

Mark Reid, General Manager, and Ben Reynolds, Director of Construction, are excited to begin the next chapter for Kawartha Lakes Construction. “We are immensely thankful to Scott for his vision and leadership. Today marks the beginning of a new era for us as we expand our operations to Builder’s Row, a hub of homebuilding services located on 8th Line Smith west of Lakefield,” said Reid. This expansion will provide customers with comprehensive access to essential services, enhancing their ability to craft their ideal living spaces.

Ben Reynolds added, “Having worked closely with Scott for over a decade, his passion has been a constant source of inspiration. We are thrilled to continue benefiting from his support as he focuses on engaging new customers and sharing the vision of Kawartha Lakes Construction.”

To commemorate this new phase, Kawartha Lakes Construction will host a customer appreciation BBQ on September 21st at their Lakefield headquarters. The event will also include a fundraising initiative for Habitat for Humanity, underscoring the company's commitment to community involvement.
